Joint Client Group™ is a specialized division of ProCouncil™ Advisory. This unique consulting group is comprised of distinguished attorneys and national experts specializing in confidential and strategic solutions for the mortgage, banking, finance, bankruptcy and related insurance industries.

We mitigate, arbitrate or mediate litigation, operational and surveillance risks, lawsuit and anti-trust risks and matters. With handpicked legal and industry experts, we stay on top of the issues and exposures in the ever-changing marketplace including the recent trend in anti-trust exposures, bankruptcy-trustee administration litigation, loss mitigation and modification risks and lawsuits, credit rating risks, and media headline risks. We can be retained as a neutral, an advocate or liaison, or work with your team to reach settlement and mitigation solutions for litigation and operational risks. We have opt-in solutions wherein parties in litigation, or dispute, can fashion a confidential solution with or without a public relations announcement. As recent laws, regulations and cases have greatly enhanced liability exposure, the need for voluntary resolution of such issues or lawsuits is now paramount. As Best Practices is now being tested, voluntary settlement, and mitigation solutions are now vital to preserve the best interests for a going-concern, as well as the industry. Confidential Strategy Solutions™, OptIn SafeHarbors™ and Litigation FreeZones™ can provide the framework to such resolutions.

As part of its vision to be a primary catalyst of the mortgage banking community and as the forum of choice for the articulation of concerns and issues (see: <http://www.e-afn.org/mission.html>), the American Legal & Financial Network, (“AFN”) has endorsed Opt In Safe Harbors™ and LitigationFreeZone™ solutions as viable mechanisms to supply the framework for self-resolution among mortgage industry participants. We are pleased to announce that **Dickstein Shapiro, LLP** is a member of the Joint Client Group™ with its Litigation, Banking, Antitrust & Financial Services Practices.
